**WA5 - Warrington** - My name is Elle and I am a mum of 2 young children, living in Warrington. I am looking for a female PA to support me in my daily living on weekday afternoons. I have Agoraphobia, complex mental health and I am neurodiverse, which makes it difficult for me to go out. I also have some physical health difficulties which can vary from day to day.

I would like the PA to help me to go out as I would like to be able to work towards doing this independently. I would also benefit from some support in my home due to my physical health. I enjoy spending time with my children and hope to be able to take them out more when I feel more able to. I do not drive, so it would be essential for the PA to be able to drive us places.
